

Worship Center

This Sunday night the following recommendation will be made for the worship center renovation. This recommendation follows almost two years of study, questions and planning from several church committees, and staff discussion. Their recommendation will include painting, carpet, replacing pews with pew chairs, adding to our current audio and video needs, and improving the lighting in the room.

As you continue to pray for the recommendation, also plan to be in attendance. Following the video presentation and discussion, we will vote as a church body to approve the recommendation.

The Church Council, Finance, and Buildings and Grounds Committees unanimously recommend to the members of First Baptist Moss Bluff the proposed renovation project for the worship center at a cost of \$550,000.

Grand Lake Update

We had another great day at Grand Lake today with 55 attending. We baptized 3 and accepted 2 by letter. One of the baptisms was by request, but not for Church membership. This lady simply wanted to be obedient to the Lord, imagine that! God has been so gracious this past week as we have been in the mobile home parks in the area.

Yep, with 105-107 degree heat indexes during the day and youth rallies at night, 7-9 PM, the College St. Baptist Church team from Walhalla, S. C., did an excellent job evangelizing the area and God has already blessed us with fruit from those labors. They all had such a sweet spirit and were willing to do any thing we asked. May God continue to bless them and that ministry. We have doubled in

membership since Feb., the month we had our church counsel meeting and decided where and how God would have us sow the seeds He had given us. Sow and reap, sow and reap, what a wonderful practice and promise, if we faint not. (Gal. 6:7-10) We have already exceeded our number of baptisms this year over last year. Praise the Lord!!! Thank you for your willingness to sow into this ministry. Pray that we will not faint or become weary in well doing. May we be steadfast and resolute in our duty to the King Eternal and that we will be faithful when the Lord of the Harvest calls us to labor. It is most amazing to be allowed to participate with HIM and with HIS kingdom work because eternities are at stake. A-MEN!?! In HIS service; To HIS glory, Bro. Mike Paris

SERVE is an opportunity for students to show God's love to

people in our church and community by helping meet their needs. **SERVE dates are June 30, July 7, and July 14.** We would like to help you or your neighbors with projects around the house that are normally a physical challenge such as lawn care, house cleaning or light maintenance. Also, you may know someone who is homebound that would like a friendly visit. Please call Adam Wallace at 855-9067 by Wednesday, June 23 to let him know of your need.
